

# **Survey Project on Political Representation of Dalit Persons in South Asia**

To whom it may concern:

ICDR International hopes you are safe and doing well. We would like to officially announce the end of our survey program!

We would like to thank everyone for your support and participation! We have surpassed our goal by receiving over 100 responses from the U.S., India, Bangladesh, and Nepal.

We are grateful to have collaborated with the **International Foundation for Electoral Systems (IFES)** to gather information to better understand and help eliminate the barriers that Dalits face in political participation and representation!

The results of the survey will be analyzed and incorporated into a research paper that will be presented at ICDR International's second global conference. We hope you will be able to attend this event--more information will be provided closer to the date.

If you have any questions/concerns about the survey, please do not hesitate to reach out to us. **Our contact information can be found below as well.**

Thank you,

ICDR International

International Foundation for Electoral Systems
